March was a productive month. The open house was held on Wednesday, April 2, no one attended. Will continue to hold an open house at the Central Office on the 1st Wednesday of each month to encourage participation in intergroup. Planning to have an intergroup orientation on May 1st at the Central office 4:00p-8:00p. The board has come together as a team to fill the responsibilities of the vacant activities chair. There is a possible venue for soberstock, more to come next month. A committee fair is being planned with a tentative date in September.

### **Vice-Chair: Dave A.**

Went to Bethlehem to meet with 8 members of YPAA to gather information about what they do.

Discussion initiated about holding an event in June about YPAA and to create an interest in our area.

Lehigh Valley YPAA is going to hold a local event. District 41 is having some difficulty, Dave went there last week to offer some suggestions.

All the bills are paid, the profit and loss should be accurate, and the report is current. Several groups questioned why their contributions are not on the report. Question from the floor about why the cost of goods sold and store sales do not match?

Motion to accept Christine’s report - 2nd, all in favor

**Secretary: Jackie F.**

March meeting minutes are posted on the website and hard copies are in the back. Went through the last six months of sign-in sheets to see what groups are not participating in intergroup. Plans will come at a later date as to how we will encourage those groups to get active in intergroup. Made mention of the need for committee members.
